UNT’s new ePortfolio system provides you with an opportunity to connect your experiences on campus and in your community with demonstrable skills for your future career. Learn how to begin building and archiving a personal repertoire of marketable experiences in your ePortfolio.

1. Sign on the computer with your EUID and password.
2. Use Chrome or Firefox (not IE Edge)
3. Go to [http://my.unt.edu](http://my.unt.edu)

Students should see this section in the center of their main page. Click on the green ePortfolio link in order to sign into the system.

You will use your EUID and password to access the ePortfolio system. Once you're in the system you will be able to created your identity page. [Click here](http://my.unt.edu) to see sample pages and for tips on how to get started!

The system will ask you to initial and agree to an EULA. Once completed, students will have full access to their ePortfolio.

From that point forward, students will not have to resubmit their username and password. They will gain access to their ePortfolio by clicking on the link in MyUNT.
