Cabell’s Directories

Cabell’s Directories allow the researcher to identify possible journals for manuscript submission in three subject areas – Business, Education and Psychology – based on metrics, and review and submission processes. The directions below guide you through a search of Cabell’s at the UNT Libraries.

1. Start at the UNT Libraries homepage at [www.library.unt.edu](http://www.library.unt.edu)

2. Locate the large blue search box and conduct a Database search for [Cabells].

3. On the results screen, select either entry for Cabell’s Directories.

4. Connect to Cabell’s using the link midscreen. If you are off-campus, you will be asked to enter your EUID and password after you select the link.

5. When Cabell’s opens, select the Advanced Search.
6. Select Topics and/or Disciplines.

7. Add keywords to narrow your search. You may also add a publisher or sponsor.

8. Add limiters if desired, and then Search.
9. Click on a result to open the information about a journal. Select Metrics for more details about the Journal Impact Factor, CCI Snapshot, and Altmetric Report.
